VOLUME NUMBER 83.

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, OCTOBER 22, 1942.

EIGHT PAGES TODAY

NUMBER 28

In Quartermaster Corps

PVT. RAYMOND KRUPICKA

Pvt. First Class Raymond Krupicka of Buckholts is now stationed at Camp Barkley, Abilene. He is attached to the Quartermaster service and is making a fine soldier. He first enlisted as a volunteer on October 15, 1940, and after serving his year, returned to the service. He spent his first year in the service at Fort Sam Houston.

Pvt. Krupicka is 23 years old and the son of Mr. and Mrs. Vince Krupicka of Buckholts. He attended school at Buckholts, but was born and reared in the Corinth community.

Pvt. Krupicka is one of hundreds of young men from Milam county who volunteered for service when the training program was announced, and re-enlisted when his country called under war conditions.

May Robson, Noted Screen Figure, Dies

May Robson, immortalized in hundreds of screen roles, and the idol of millions, died in Hollywood Tuesday morning.

Miss Robson had reached advanced age but was active until recently in first ranking pictures. One of her more recent triumphs was in "A Lady for a Day."

Relief Rolls Here Ordered Pruned if Ineligibles Are On

Relief rolls in Milam county have been ordered pruned of all ineligibles, if there be any, by the Commissioners Court, following a protest lodged by some 20 farmers and business men who appeared last Thursday.

The meeting was occasioned by a resolution passed by the Chamber of Commerce calling on the county to stop all relief contributions except the county farm. Later it was explained that the Chamber of Commerce did not intend to stop the Food Stamp Deal, though the resolution did not make an exception.

Those who appeared before the court, according to A. H. Baskin, Jr., disclaimed any intention of hurting the Food Stamp Deal. It was thought well to determine if any are on the roll who are able to work. In this case the request would be to eliminate them.

Milam county is spending only a small sum for the Food Stamp Deal.

The court requested the relief set up to make an investigation to determine if any are on the rolls who do not merit relief.

In Bell county the court there voted to retain the Food Stamp Deal despite a protest by County Judge Messer who wanted it discontinued, pointing out the amount of money it requires.

Gasoline Board for Milam County is Announced Wednesday

Roy Baskin, Cameron lawyer, has been named Chairman of the Gasoline Rationing Board for Milam county, it was announced here Wednesday by Emory B. Camp, Chairman of the Milam County Defense Council.

Other members of the board are: Will Vaughan, Cameron; Sam McWhinney, Buckholts; Frank Sherrell, Ben Arnold; Joe Moore, Gause; Frank Brandon, Rockdale; W. H. Cooke, Rockdale; T. F. Locklin, Thorndale; Roy Yates, Branchville.

Mr. and Mrs. Frank Plachy announce the arrival of their first grand child, Carol Joyce, an 8 pound baby girl, born to Tech. Sgt. and Mrs. A. G. Moraw on October 15th, 1942, at Newton Memorial Hospital. Mother and baby reported doing nicely.

NO REPORT ON SCRAP COLLECTED IN COUNTY

The success of the scrap drive has been tempered some by failure of a complete report.

Only a few of the communities have reported. Cameron was out in the lead with a grand total of around 150,000 pounds. Other schools have not reported.

Chas. M. Hicks, County Superintendent, hopes to obtain reports as soon as the Camp Hood trucks get done hauling in the scrap.

The campaign may have been more successful than anticipated. Nothing will be known until the reports are in. Other counties are reporting promptly.

An Open Letter

Mr. S. E. Brogdon has been furnishing the public with information which does not conform with the facts as I have them, consequently, I am releasing the article below to the press for the information of the public.

The authority of the schools of the Nation to collect scrap does not come from Mr. Brogdon, but on the contrary our commission to collect this scrap came directly from the Conservation Division, War Production Board, Washington, D. C., and is outlined in a sixteen page bulletin entitled, "Get the Scrap." This bulletin was sent in sufficient numbers to the schools of the Nation to supply each teacher of the Nation a copy.

The following is a quotation from the above mentioned bulletin, "The superintendent in conference with the principals and teachers, should decide whether the proceeds from the sale of salvage materials be used for the individual schools (for athletic equipment and the like, or distributed directly to the participating children."

The four class sponsor chairman (teachers) of Yoe High School, and the principal of the Ada Henderson School met with the superintendent, and decided that the money accumulating from the sale of scrap should go directly to the school rather than to the individual pupils, and that this money should be used to buy war bonds.

I talked with the chairman of the State Salvage Committee, Mr. Buttler of Austin, and he informed me that the scrap in the name of the school was not for sale, and that we might dispose of it in our own discretion.

I informed Mr. Brogdon of my conversation with Mr. Buttler prior to the publication of his articles.

We gladly extend to Mr. Brogdon our co-operation in his effort to collect scrap, and likewise ask him to give us a helping hand.

The children of the Cameron Schools have done a magnificent job in the collection of this scrap. They deserve much praise for sending approximately one hundred fifty five thousand pounds of scrap into the war effort.

Respectfully submitted,
E. A. PERRIN, Supt.

Farmers Save and Now Get Checks From Dallas

C. W. Hinyard, County Administrative Officer for AAA, announces the rate of deduction from Milam County for recovering required amounts of association expenses from 1942 Agricultural Conservation payments is 2.5 per cent. This figure is less than one-half the cost deducted under the 1941 program, which was 5.7 per cent.

This reduction in administrative cost was due to substantial allocations of non-deductable funds and in handling the various programs with less and more efficient clerical and field help.

Under this year's program co-operaters will receive their Conservation checks direct from the Disbursing Office in Dallas. This will eliminate unnecessary local clerical expense of handling and delivering; and, further, will save the producer's time and expense of calling for the checks.

ENGLISH TERRIER FOUND

Mrs. Roy Baskin called the Daily Herald Thursday to say she has been caring for a very fine English Terrier dog at her home. These dogs are often called Rat Terriers. This one has on harness, and tags indicating it has been vaccinated. No doubt some owner is worried over the missing dog.

Buckholts School Head

C. D. CAMPBELL

C. D. Campbell has accepted the position of Superintendent of Schools in Buckholts and will succeed Hugo Horstmann who has been named superintendent of the Pythian Home at Weatherford.

Mr. Campbell has made a fine impression at Buckholts and everywhere he has visited. For 14 years he was superintendent of schools in Burton before accepting the place at Buckholts.

The Buckholts schools are among the most important in the county and the board of trustees are fortunate in securing the services of Mr. Campbell.

JOHN H. WILLIAMS DIES AT SANDY CREEK

J. H. Williams, 90, pioneer resident of Milam county, died at his home near Sandy Creek on Friday.

Funeral services were held Saturday from the residence with Rev. P. T. Ramsey, pastor of the Methodist church in Rockdale, conducting services.

Mr. Williams had been a resident of Milam county for many years and had observed his 90th birthday on Sept. 27th, 1942.

Local T. P. & L Manager Quickly Restores Service for Operation

J. Albert Young, manager of the Texas Power & Light Company, was praised Thursday for his service in an emergency.

While performing an operation at the Newton Memorial Hospital Thursday the lights went off and Dr. Newton placed a hurried call to the Power Company. Emergency lights were set in motion and the surgery was continued.

In the meantime Mr. Young, now charged with many more duties since the critical manpower shortage, personally restored the service by climbing the pole and correcting the trouble. Dr. Newton said that lights were restored in a few minutes and Mr. Young is to be praised.

Farmers Urged To Register Trucks

Eddie D. Lumpkins, Chairman of the Farm Transportation Committee for Milam County, announces that farm operators of farm trucks and pick-ups can receive assistance in executing their certificates by reporting to the AAA office in Cameron, or City Hall Rockdale, Thursday, Friday and Saturday, October 22, 23 and 24, respectively.

Mr. Lumpkins pointed out that operators of farm trucks or pick-ups must have an approved certificate in order to be eligible for tires, gasoline and repair parts by November 15, 1942.

Lieut. Thomas Jefferson White of McDill Field, Tampa, Florida, was in Cameron over the week end to visit with relatives. He left McDill Field Saturday morning, landing his B-26 bomber at Barksdale Field, La., where another officer left the plane to be with his wife who was in a hospital for an operation. He flew to Jackson, Mississippi, to take another officer and from Jackson came to Waco flying with Lieut. Clawson who lives at Burnett and also Sgt. W. T. Caldwell of Cameron. The ship was lifted from the Waco flying field at 4:30 Sunday afternoon for the return flight.

Opal Robbins of Milano transacted official business in the Court House Friday.

DR. JOHN L. DENSON DIES AT HOME SUNDAY

Dr. John L. Denson, 71, widely known physician and a veteran of World War I, died at 10 a. m. here Sunday at his home.

Dr. Denson became ill about 5 years ago and as a result was never able to resume practice. His condition became more critical four days prior to his death when he suffered a recurrence of his ailment, a stroke, from which he was unable to recover.

Funeral services will be held from the First Baptist Church at 5 p. m. Monday, October 19, 1942, conducted by Rev. C. W. Sanders, pastor First Baptist Church; assisted by Rev. Vernon G. Miles of Hillsboro, and a former pastor here. Interment will be made in Oak Hill Cemetery with the Marek-Burns Funeral Home directing arrangements.

Members of Edwin Hardy Post No. 9 American Legion will be ball bearers.

Dr. Denson who had practiced medicine in Milam county for more than 40 years, was a native of Mississippi. He was born in Jasper county in that state and graduated from the medical school of the University at Louisville. He took post graduate work at Tulane and John Hopkins.

In 1893 he married Miss Eula E. Blankenship of Mississippi and in 1896 they came to Texas and settled at Maysfield where the young doctor began his practice. In 1904 he moved to Cameron and formed a partnership with his brother, Dr. Thomas L. Denson who later acquired the New Cameron Drug Company.

Dr. Thomas L. Denson died in 1931. Dr. Thomas L. Denson, a nephew and son of Dr. John L. Denson, is now a practicing physician in Cameron.

Dr. Denson was a past President of the Milam County Medical Society; was a member of the Central Texas and State Medical Societies, Southern and American Medical Associations. He was a Mason and a member of the Shrine at Waco and a former member of the Board of Trustees of Baylor College at Belton.

Dr. Denson, commissioned in the National Guard of Texas, when war came on became a Captain in the Medical corps and went over seas with the 36th Division. He was promoted to major and was cited for bravery under fire and awarded the Croix de Guerre with palm and among his citations are one from General John J. Pershing, Commander of the American Expeditionary forces.

Surviving are his widow; two sons, Dr. Thomas L. Denson of Cameron; Captain John L. Denson, also a veteran of World War I, and now at Camp Hood; two daughters, Mrs. Roy Baskin and Mrs. Eber Flinn of Cameron; and nine grand children.

Negro Victory Council Will Convene Saturday In Annual Session

The second in an annual series of meetings held by the Milam County Negro Victory Council will convene at 2:00 o'clock p. m. Saturday, October 24, in the District Court room at Cameron.

Purpose of the meeting, announced Negro Extension Agents, Lottie Boone and C. L. Redus, are to round out both a scrap metal and bond and stamp drive which have been in progress for several months among the rural population.

Questionnaires used by the agents to help complete the first check up on the drives are reaching the office of the agents at this writing.

Indications are that the Victory Leaders under the direction of the Extension Agents have done and are doing a good job in the drives.

Certificates of Recognition signed by Governor Coke Stevenson, President T. O. Walton of A and M College and National Director of Extension, M. L. Wilson, will be awarded to the Victory Leaders for having done a good job toward making the Victory Council work.

Judge Gillis will be guest speaker at the meeting.

W. T. Caldwell of Tampa Florida, was home over the week end to visit with his parents. He is stationed at McDill Field and is a flyer. He got his wings at Ellington Field and hopes soon to get his commission. He flew to Waco with Lieut. Thomas Jefferson White in a B-26 bomber, returning Sunday.

—remember pearl harbor—

In Field Artillery

CORP. HUGH COMPTON

Corp. Hugh Compton, is stationed at Fort Bragg, North Carolina. He is in the 79th Field Artillery.

Corp. Compton enlisted in the artillery in June 1940, and will be 21 years old on November 1, 1942. He was 18 when he entered the service. He is the son of Mr. and Mrs. Hugh Compton, Sr., of Cameron, was born and reared here and attended school in Cameron.

Another brother, Hubert Compton, also a Corporal is in the Medical Corps and stationed at Camp Grant, Ill. One of the Compton sons is in a camp named for a noted Southern General, Braxton Bragg and the other famous General Ulysses S. Grant who became President of the United States.

MRS. JAKE RICHARDS DIES IN SAN ANGELO

Mrs. Jake Richards, 46, died at 10 o'clock Tuesday morning, October 20, 1942, in a hospital in San Angelo.

She had been in declining health for several months and had been in the hospital there for the past 2 weeks. The body was received in Cameron early Wednesday.

Funeral services will be held at 4 o'clock at the residence in Cameron. Interment will be made in the North Elm Cemetery with Rev. Lamar Hocker, pastor First Christian Church, officiating and the Coleman Funeral Home directing arrangements.

Mrs. Richards is survived by her husband Jake Richards of Cameron, and one son Jake Richards, Jr., two brothers, Bill and Ernest Weideman; three sisters, Mrs. Jim McGoldrick, Mrs. J. D. McGoldrick and Mrs. Joe Kuhn.

SAM G. LOCKLIN, 88 INDIAN FIGHTER, DEAD

Sam G. Locklin, Indian fighter, 88 years old, and a pioneer of Milam county, is dead.

The pioneer passed away at his home near San Gabriel Wednesday, October 21, 1942. Funeral services were held from the home with the Methodist pastor in Rockdale conducting the services.

Interment was made in the Locklin cemetery, oldest burial plot in the county. It overlooks the valley of the Garbriel. Mr. Locklin was born and reared in the San Gabriel community.

TAKES PLACE WITH HERALD

Miss Jane Lowe of Cameron has accepted a position with the Herald to succeed Miss Aileen Thweatt who has accepted a position in Dallas.

Miss Lowe began her work Monday and will be seen each day by Daily Herald readers as she takes over the work of assistant editor.

She is a graduate of Yoe High School and was born and reared in Cameron, the daughter of Mrs. E. G. Lowe and a sister of Woodrow Lowe, owner of the Cameron Hotel.

SUE KIRK GETS PLACE WITH PRUDENTIAL LIFE CO. IN LOS ANGELES, CALIFORNIA

Miss Sue Kirk, former assistant editor of the Herald, has been given a place with the Prudential Life Insurance Company in Los Angeles.

Miss Kirk left Cameron several months ago to go to California where her brother was employed in a war industry. Many friends here will be glad to know she has obtained this responsible place.

Mrs. Walter Hagemeister of South Elm transacted business in the County Superintendent's office Thursday.

THORNDALE MAN KILLS SELF AT NOON TUESDAY

Emil Richter, a farmer in the Detmold community near Thorndale, was found dead at noon Tuesday in a barn on his farm.

A verdict of suicide was rendered, according to information reaching the Herald. Mr. Richter hanged himself with a rope.

It was said here Wednesday morning that he had been in ill health for some time.

Funeral services were to be held in Thorndale Thursday.

Milam County Has No One Enlisted in WAAC; Enlistments Solicited

"The demand for auxiliaries of the Women's Army Auxiliary Corps is becoming more and more urgent. They are needed to replace soldiers eligible for combat duty now being used in military personnel offices," Colonel Kinzie B. Edmunds, District recruiting officer announced today.

"Along with Aircraft Warning Service specialists, duty leaders, stenographers, switchboard operators, drivers, cooks, bookkeepers, typists, dietitians, clerks, camera technicians, photo laboratory technicians, radio mechanics and basics are among the categories most needed at present."

"It is desired that there will be representatives from each of the sixty seven counties in the San Antonio district enrolling in the Women's Auxiliary Corps," Colonel Edmunds continued. "To date many of the counties are already represented. However, so far as we know, Milam county does not have a single woman enrolled in the WAAC. Since the outbreak of the War, men from this county have flocked to the recruiting station and now that the women are realizing that there is a definite place for them in the Army and that the war has really taken a serious trend, we expect a rush in that direction in the near future," he concluded.

Women from Cameron can make application for the Women's Army Auxiliary Corps at the Army recruiting station in Temple, or at the San Antonio District Headquarters in the American Hospital & Life Building in San Antonio.

Serving Uncle Sam

CLARENCE W. WEBER

Clarence Wilburn Weber, is the son of Mr. and Mrs. Charles Weber of Buckholts.

At the age of 16 he enlisted as a volunteer in the United States Army on February 27, 1939, and was stationed for service in Fort Clark, Texas.

He has been stationed at Fort Clark 3 years and 7 months.

Clarence has 7 months of Expert Shooting Training and now will be called upon to be a paraclete jumper in Georgia.

He has two sisters and six brothers. Charlie Lee Weber is also serving the U. S. Army at Baytown.

In a letter to his parents recently, Clarence said he was well and was enjoying Army life.

Many friends here wish him good luck and happy tenure in the service which he has been promoted.—Buckholts News.

Miss Barbara O'Neill who has been secretary at the office of Judge Jeff T. Kemp for some time, left Sunday for Fort Worth where she will be a steno at the Meacham Air Field, Fort Worth. Miss Loretta Polansky of Cameron, has taken over the work at Judge Kemp's office in her place.

Nat B. Wofford of Port Arthur, visited his mother, Mrs. Hallie Jones Wofford Sunday.

WASHINGTON

By
CONGRESSMAN POAGE

The most serious problem confronting the Congress and the Nation today is the man power problem. It seems probable that the House will act on the proposal to draft 18 year old boys for the Army on Saturday (Oct. 17th.) This, however, will not go to the heart of the man power problem. Fundamentally, this problem is one of relative importance of various types of activity. Everyone recognizes that an adequate supply of able bodied men for our armed forces is absolutely essential in time of war. To this end we have authorized the Army to call on the cream of our manhood.

On the other hand, we must recognize that the man power requirements of a modern army are self-limiting. That is, the modern soldier requires such a large amount of equipment that a much larger force of civilians are necessary at home to support the Army than has ever been the case in the past. Added to this is the fact that on our civilian economy rests the added burden of supporting the fighting men and much of the civilian population of many of our Allies. This is especially true as to their food requirements. This means that we can not put as large a percentage of our population in our armed forces as was possible in the Civil War, for instance; nor can we arm so large a percentage as those nations who are now assuming no obligation to supply food or munitions for others.

Of course, no layman can say just what size army we can efficiently support, and until this week the military men had declined to say. It was, therefore, very helpful when General Marshal, Secretary Stimpson, and others stated to the Military Affairs Committee that they contemplated an Army of 7,500,000 men. This information was absolutely essential to any intelligent allocation of man power.—And this information was not available to our Committee on Agriculture while we considered the shortage of farm labor. Our Committee recently filed a recommendation to Congress asking that this very information and full information relative to the essential needs of in-

dustry be made public. I believe that we are making progress in the right direction. It will now be necessary to allot to each essential war industry its fair share of the available man power of the nation. In this connection, we must never lose sight of two important facts: (1) Agriculture is the basic and absolutely indispensable industry of the country, and (2) We must include women and older people in any analysis of man power.

With these facts in mind we come to the strong probability that it will shortly become necessary to require every individual in this country to work at the job where he will be of greatest help. This may result in substantial loss of opportunity to the individual. I have already had several complaints from workers who wanted to leave their present jobs to take similar jobs with other concerns on more favorable terms. Of course, there is no present law that prohibits this but many concerns have agreed not to accept any worker who seeks to transfer simply for his or her personal benefit. To prohibit such transfers will, of course, be a serious limitation of individual freedom of choice, but if we let Hitler win this war, we will never have any further freedom of choice. I think, therefore, that every man and woman in America should be prepared to accept this type of war time control. How soon it will come I do not know, but definitely it is in the making.

As for the drafting of 18 and 19 year old men I feel that it is safe to predict that before this is printed, such power will have been granted by act of both Houses and the signature of the President. Of course, I can not predict what limitations may be placed on this power. I hope it may be possible to give the maximum protection to these young men and to provide the maximum educational advantages, but the most imperative thing is to make sure that these young men and their children have a free country in which to perpetuate our Democratic institutions. I would have been happy had it not become necessary to draft these men.—But after all, we must perform many unpleasant duties to win this war. I do not think it will hurt the young men. In 1918, we drafted 18 year old boys, and I myself went in as an enlisted man at that age. While I did no fighting, I believe the experience was good for me. I hope it will be good for the young men of this generation. I know that the drafting of these men will not involve the heartaches and the economic disruption that would follow the drafting of like number of married men with dependent families, and it seems that we are faced with that grim choice.

With best wishes,

R. L. Halbrooks

MAN SHORTAGE BRINGS
SERIOUS GAS PROBLEM

With many employees having gone to the armed forces and war industries, causing a depletion in trained personnel, customers who will need meter installations and other gas service facilities are requested to make such requests immediately. This statement came from Manager J. R. Bush of Community Natural Gas Company, who said that service requests will be handled in the order received.

Mr. Bush pointed out that need for tire conservation, the depletion of personnel, and other war-time responsibilities make it vital for customers to give their co-operation in all matters pertaining to service.

"Due to the loss of a large number of experienced men," he said "the problem of meeting service demands on our organization by the seasonal fall rush is more serious than ever before in the history of our company.

Many thousands of seasonal heating customers will request that their meters be turned on within the space of a few days. Other customers will call on our company to service and place in operation various kinds and types of heating equipment.

"The only way many of our customers can avoid delay in response to their requests for service, with the resultant inconvenience and possible actual discomfort, is to make these requests at an early date. This will offset the deluge of orders that accompanies cold weather. All requests for service must be executed in the order received, and those customers who delay making such requests will, of necessity, be required to wait until prior orders have been completed.

DAIRY CLOSED

It was reported to the Herald that Tom Storey has closed out his dairy. The milk shortage has increased. Cows are being taken to the larger communities and Cameron is being

Phone 282 if you have a news item.

Bulletins Are Now
Ready for Ceiling
Price Schedules

Grocers and all merchants handling food at retail may now obtain a printed bulletin explaining how to apply the new Office of Price Administration formula for determining the new legal Ceiling prices, Sam Perry, Chairman of the Milam County War Price and Rationing Board, reported today.

"Beginning October 15," Mr. Perry explained, "all food retailers were allowed to apply this formula in pricing eleven groups of foods where present mark-up may be abnormally low.

He added that the period for making adjustments under this new formula expires at midnight, December 31, 1942, so it is important that all food merchants obtain copies of this Food Retailers' Bulletin No. 2, as quickly as possible and familiarize themselves with its provisions.

It is optional to apply the new for-

mula to breakfast cereals, rice, coffee, sugar, canned vegetables, canned fish, cooking and salad oils, hydrogenated shortening and other shortenings. However, it is mandatory to figure the new ceilings on lard and dried fruits.

Mr. Perry said retail food merchants may obtain copies of this Food Retailers' Bulletin No. 2 by calling at the Milam County War Price and Rationing Board in Cameron.

Mrs. Emory B. Camp is in Newton Memorial Hospital following an operation by Dr. W. R. Newton. She is doing splendidly and is greatly pleased with the attention she is getting while recuperating. Her many friends will be glad to know of her progress and trust she may soon be at home again.

Mr. and Mrs. M. G. Cox and Miss Mildred Thornton visited in Waco Tuesday. While there they saw Mrs. Jack Slaughter's mother who had moved to Dallas.

YOEMEN EKE OUT WIN OVER HEARNE EAGLES

Playing a listless game for three quarters the Cameron Yoemen had to dig in on their 18 yard line Friday night to stop a determined Hearne Eagle Team that had already scored one touchdown to make it a ball game after Cameron went out in the lead 13 to 0.

The Eagles, outplayed in the first quarter came back with a bang and it was a ball game all the way with the Yoemen having to punt time after time.

George Michalka, all district end last year, shifted from the line to the backfield, was the star of the game. On a new play which is a cross between an old fashioned hand off and a delayed line buck, Michalka accounted for much of the yardage gained by cracking the Eagle line. Michalka scored both touchdowns for Cameron and took the spotlight from Torno who was unable to get away for any spectacular play. A bad punt by Torno led to the Eagle's first touchdown.

Joe Bill Heath, big blond who plays end, turned in the best game of his career. He was a sensation on defense and offense as well. Slavik, one of the best of the linemen was responsible for much of the brilliant line play while Clyde Batte at Center

was all over the field and all over the Eagles, a jam up center.

Billy Joe Michalka as a line backer was in on every bit of the good line play and was a tower of strength.

Cameron scored both touchdowns in the first half with Michalka going over through center of the line. He scored from the five and from the 3 yard line.

Allen, seat back for the Eagles threw a scare into the Yoemen several times and carried the ball over from the Cameron 2 foot line after some sensational running and passing.

On the whole it was good game, especially when Hearne made it an ball game in the second half.

Statistics show Cameron had a slight advantage throughout the game. Cameron made 7 first downs while Hearne made 5 and 56 yards passing while Hearne got 32. Hearne beat the Yoemen rushing, getting 117 yards while the Cameron team got 141. Cameron tried 3 passes and two were completed. Hearne completed 3 out of 6 for 32 yards.

Next Friday night Cameron goes to Taylor for what all predictions say will be slaughter de luxe. Cameron has no replacements and only about 17 men on the squad.

Telephone any item of news you may have. Phone 282.

T. Y. McCormick of Minerva transacted business in Cameron Wednesday.

Taylor Defeats Rockdale, 53 to 0

Rockdale, Oct. 16.—It was Taylor all the way here Friday night when the Ducks annihilated the Rockdale team 53 to 0.

At the end of the first quarter the Ducks were well on their way to victory with 20 points piled up, and at the half points totaled 33. During the third quarter Taylor brought the score to 53 to 0 and held it there until the final gun.

Taylor outdistanced the Rockdale boys 3-1 on first downs.

Taylor standouts were Kruse, Miller and McGinins, and stars for the losers were Krause, Burgess and Eiland.

Killeen Thumps Belton Team 7 to 0

Belton, Oct. 16.—Killeen gridvets kept their conference record clean by thumping Belton 7-0 here tonight. Killeen is in a tie with Taylor for the lead in district 31a.

Killeen's counter came in the third quarter when Toliver heaved a pass to Baker across the goal line and Toliver kicked the extra point. First downs were 16 to 9 in Killeen's favor.

Standouts for the Killeen eleven, which outplayed their opponents all the way, were Toliver, Baker and Conder. Belton's outstanding men were Muehlhause and Potts.

Woman Leader Visits B & P Club Thursday

Miss Miriam Coleman, State Executive Secretary of the Business & Professional Women's Clubs, paid an official visit to the Cameron club Thursday evening. She stressed the necessity of clubs giving their best efforts in War Work of all kinds, and to keep in mind the need of work to be done by the American women when war is over. She said that women's work is expanding and we must continue to do our part.

Earlier in the evening a sandwich and salad course with hot tea was served in the dining room.

G. G. Weaver of Waco representative of the Agriculture Marketing Administration transacted business in Cameron Friday.

What You Buy With WAR BONDS

Winter flying jackets for both the Army and Navy Air Corps are regular equipment for our aviators. They cost from \$12 to \$18 and are made of horsehide leather lined with sheep shearing.

Purchase of one \$18.75 War Bond, for which you receive \$25 in 10 years, will pay for one of these jackets so necessary for our airmen flying at high altitudes and in northern climes. So you and your neighbors can do your bit by investing at least 10 percent of your salary every pay day in War Bonds to help pay the cost of this equipment for intrepid American flyers. Join the parade, and help top the War Bond Quota in your county. U. S. Treasury Department

JAPS RISK BATTLE FLEET TO OUST U S

United States Marines, soldiers of the regular army, the fleet and the air force were all engaged in what was said in Washington as a show down battle for control of Guadalcanal Island in the Solomons group.

While news was lacking on actual phases of the battle Secretary Knox of the navy department said he believed that the Navy and land forces would be able to hold the airport which has been under sustained bombardment for the past 48 hours.

Some belief was expressed the Americans may have lost the Guadalcanal air field and only carrier based aircraft will be available for combatting the Japs.

The battle which involves all four branches of the fighting men was said to be well advanced and may now be reaching a decision.

The Japs were said to have risked their battle fleet in the action to oust the Americans from the Solomons. If this be true it was agreed that the United States may have strong units of the Pacific fleet, including battle-ships in the action.

Washington was awaiting with tenseness news of the progress of the fighting.

Meanwhile in Stalingrad things were going bad for the Reds who have been four times driven out of positions within the city. Snow was falling and winter was just ahead as Hitler raced against the elements to clinch his positions before winter comes.

Dallas Police Round Up Violators of Junk Campaign Says News

The Dallas News has this to say about the police action in that city in arresting persons for violating the government regulations about scrap and the story is brought in by S. E. Brogdon, Milam County Scrap Campaign director:

Police working under direction of Detective Inspector Will Fritz have obtained thirty-one statements from Dallas residents that they bought at low prices a number of items, including bed springs, that had been donated in the scrap iron drive by patriotic citizens.

Three men several nights ago were taken to police headquarters by Fritz's order and questioned at length about the sale of bed springs and other items. Fritz said the sales were made by a large junk company that has been receiving scrap iron during the drive. A bedstead also was among the articles. Statements were made to detectives by purchasers and will be turned over to the Federal District Attorney.

Some of the purchases were made by private persons and others by second hand dealers. Fritz said several detectives assigned to the investigations witnessed some of the sales.

Several of the bed springs were recovered and now are at the city pound awaiting final disposition of the cases. Fritz said the junk dealers paid the usual rate for such material but failed to deliver it to the government.

John Wesley Majors left last week for Dallas and will later go into training in the navy. Mr. Majors volunteered and will be rated as Pharmacist third class. He is a brother of Mrs. W. P. McCall, Mrs. W. H. Tucker and Kim Majors of Cameron and is well known in Milam county.

Amazing New Total Of Scrap Reported From the Schools

Reports to the Herald disclose that the four major classes in the high school and the pupils in the Ada Henderson School have collected to-date a total of 132,324 pounds of scrap metal for the war effort.

The totals show that the Ada Henderson School is leading. Here are the reports:

Ada Henderson	37,500
Senior Class	36,675
Sophomore Class	35,268
Junior Class	17,121
Freshman Class	5,759
Total	132,324

Jimmie Thweatt of Maysfield was a business visitor in Cameron Thursday.

Deputy Sheriff LeRoy Massengale has been appointed a member of the Milam County Fardle Board by Governor Coke R. Stevenson.

5 Inch Schrapnel Shell Goes to Scrap For War In Cameron

A five inch schrapnel shell just as it came from the battle front in World War No. 1, minus the explosives, was sent to the Herald this week by Mrs. A. W. Esslinger who contributes this souvenir to the scrap campaign.

Mrs. Esslinger has had this shell for years but is glad to turn it back to the war effort.

OUR federal union!
It must and shall
be preserved!

Andrew Jackson

President Jackson gave this toast at a banquet in 1832 on Thomas Jefferson's birthday. It was aimed at Vice President John C. Calhoun, advocate of the right of states to ignore laws of the federal government.

What You Buy With WAR BONDS

Actual experience on the world's war fronts has proved the collapsible boat an essential safety feature for both Naval and land based planes. They are made of rubberized material, easily inflated.

At the Battle of Midway an Army Lieutenant, after bombing a carrier, was forced to bail out of his bomber. He was able to get a "fish eye" view of the entire battle from his collapsible boat and was later picked up by an American plane. Your purchase of War Bonds with at least ten percent of your income every payday will help protect the lives of men who are flying for you. Get behind them today. U. S. Treasury Department

That Extra Something!

...You can spot it every time

IT TAKES "know how" to do a job right. The makers of Coca-Cola have specialized in knowing how to produce refreshment.

Coca-Cola is a quality drink carefully made... with years of experience behind it. A finished art in its making, unknown to others, gives Coca-Cola an unmatched taste-appeal with an unmistakable after-sense of refreshment. A blend of special essences adds to the goodness of Coca-Cola an extra something that everybody welcomes.

More than just thirst-quenching, ice-cold Coca-Cola is the drink that goes into refreshing energy. Its refreshment pleasantly lingers, reminding you that contentment comes when you connect with a Coke.

Wartime limits the supply of Coca-Cola.

Those times when you cannot get it, remember: Coke, being first choice, sells out first. Ask for it each time. No matter how short the supply, the quality of Coca-Cola carries on.

When the whistle blows for lunch, workers make a bee-line for the red cooler that holds ice-cold Coca-Cola. Coke is the perfect partner of good things to eat.

The best is always the better buy!

Personal Mention

Mr. and Mrs. Ray Mabry of Mr. and Mrs. A. J. Matula visited Major Claude Mabry and family of Wichita Falls.

Commissioners' Court is meeting in regular session today.

Homer Plentl of Camp Hood spent Sunday with relatives in Cameron.

Mrs. Jaunita Lyons has accepted a position at Camp Hood as Assistant Secretary and has been working for several weeks, going back and forth night and morning but expects to soon have a cottage that is being built for those who are helpers at the Camp.

Rev. Bailey and wife from Maysfield are in Cameron today. Rev. Bailey is the pastor of the Presbyterian Church in Maysfield.

Lonzo Worley, constable of Thornedale was in Cameron Wednesday.

Mrs. Cora Cammer who has been quite ill for the past few days is improving. Her many friends will be quite glad to know that she is better.

Mrs. J. D. Davis from Burlington visited in Cameron Tuesday.

Joe and Willie Anthis from Tanglewood visited in Cameron Wednesday.

Winnelle Kidd from San Antonio was in Cameron this week end. Miss Kidd is working in Fort Sam Houston.

MUSIC CLUB

The Music Club held a business meeting last Wednesday, October 14, with Mrs. A. W. McCullen presiding. There were seven members present and two visitors, Mrs. Winnie Witliff and Mr. Poteet.

The meeting opened with the first stanza of America. Then Mrs. Harsha sang two songs, "Beautiful Dreamer" and "Brahm's Lullabye." Refreshments were carried out in Halloween style.

It was decided that there would be no more regular meetings.

Mr. and Mrs. E. W. Archer from Houston visited Mrs. Ester Archer this past week end.

J. D. Pope from Sharp visited in Wednesday.

Mr. and Mrs. Emil Doss and daughter from Gay Hill were here Wednesday. Mr. Doss is manager of the election box of Gay Hill.

BURIED AT CLARKSON

Mrs. May Mitchell of Clarkson was buried at Clarkson at 3 o'clock Wednesday afternoon. She was the mother of Tim Mitchell of Clarkson.

Mrs. Mitchell had been living with her daughter in Galveston where she died.

Zeke Young is in the Cameron hospital. His wife, Mrs. Zeke Young and Bill Alexander from Hicks were here this week to pay him a visit.

Mrs. Frances, sister of Mrs. W. H. Henley, who has been visiting here for several weeks, has returned to her home in Mississippi.

Mrs. Coleman Brashear of Houston is visiting her sister Mrs. Ray Mabry.

Jim Perkins, Special Ranger for the Central Texas Livestock Association, was in Cameron on business Wednesday.

Adolphus Hartley was in town Monday. He is from Waco.

Deputy Sheriff Carl Black made a business trip to Austin this week.

Miss Helen Hamil from Gause was in Cameron Tuesday.

—remember pearl harbor—

Mrs. John P. Young, the former Miss Patsy McGregor of Odessa, is here on a visit with her mother, Mrs. C. P. McGregor, while her brother, Harleigh McGregor, and family of Lawrenceville, Ill., are here.

Mrs. E. G. Lowe, her two daughters and Marie Mode visited the McGuyer family in Rockdale Sunday.

J. A. Blasienz from Clarkson community is in town today.

T. P. Guthrie from San Gabriel was a Cameron visitor Tuesday.

Mr. and Mrs. John Tuma from Bethlehem visited Cameron Tuesday.

J. H. Duke from Rosebud was in Cameron Tuesday on business.

Mrs. Milton Rice from New Salem was in Cameron Tuesday.

L. D. Hout of Rosebud was transacting business in Cameron Thursday.

From where I sit...

by Joe Marsh

HAPPENED to me only yesterday. I step on the starter of my car. Engine turns over O. K. but she won't start.

So I look under the hood just as if I know what's the matter. Tap a few things with a wrench. Well, I'm standin' there, wonderin' what to do next, a young fellow stops alongside.

"Need some help?"

"Got her almost fixed."

"But still she won't start."

"Looks like your engine's flooded," he says. "Got a driver handy?"

That young soldier knew what he was doin' all right. Went in, worked just like a professional.

"She'll be O.K. now," he says, straightenin' up and smilin'.

Boy's face looked sure of familiar. And darned if that soldier wasn't young Charlie Jenkins from Elm Street. Used to be a round-shouldered kid—one of those jitter bugs you hear about. Say! You wouldn't know him after six months in the Army. Fit

pounds heavier—straight and tan and real sure of himself. The Army's done a lot for Charlie. Made a man out of him—and I guess that goes for lots of other young fellows, too.

The other day I read how some folks worry about the soldiers drinkin' a glass of beer now and then. Well, after seein' Charlie, I don't think there's much cause for folks to fret.

And I know the beer industry is operatin' with the Army and the law-enforcement officers to see that beer is sold in good, clean, decent places.

From where I sit, this country's never seen a finer, cleaner, better-behaved lot of men than the ones in uniform today... I'm not worryin' about 'em!

Joe Marsh

A WAR MESSAGE to Truck Owners and Drivers

Join the
U.S.
TRUCK
CONSERVATION
CORPS
Sign up here

America's truck transportation system is faced today with a critical situation; and the Office of Defense Transportation is asking the help of every truck owner and driver.

With less than a 3 months' supply of new trucks to serve our civilian needs for the duration, we must squeeze every possible mile out of the 5,000,000 trucks now on the road. That's why your government is asking YOU to join in a nation-wide movement to conserve all existing trucks and tires through the program of the U. S. Truck Conservation Corps.

HERE'S HOW YOU CAN HELP

AS A TRUCK OWNER — SEE THAT:

Your truck receives thorough, mechanical checkups regularly
Your truck is never overloaded
Your drivers report daily on the condition of their trucks
Only experienced, competent drivers are allowed to operate your trucks
Broken or worn-out parts are immediately turned in for scrap if they cannot be repaired

AS A TRUCK DRIVER — SEE THAT:

You take every precaution to avoid accidents
You start and stop more gradually and spare your tires, clutch, engine as well as save gasoline
You report conscientiously on the condition of your truck every day
You check tires daily for cuts, bruises, glass or other damage
You avoid unnecessary delays that slow our war effort

HUMBLE STATIONS ARE COOPERATING

Humble stations are official stations where you may join the U. S. Truck Conservation Corps and receive the Corps insignia for your truck. Humble dealers are pledged to cooperation in the program of regular inspections and systematic preventive care. So, drive in to your nearest Humble station soon, sign up to do your part in this important work—and let regular Humble service help you fulfill your pledge to—KEEP 'EM ROLLING LONGER.

For high achievement in the production of war equipment.

HUMBLE OIL & REFINING COMPANY

Helping YOU Keep 'em fit to Keep 'em ROLLING

HUMBLE

FRENCH BRISTLING AS AMERICANS LAND LIBERIA

A significant development of the day was the semi-official admission that Dakar, much discussed French African port, a city of some 20,000 people is being evacuated.

In Vichy the French government was said responsible for the statement that France will fight both America and England if her territory is invaded at Dakar.

Speculation has been rife for some time over the belief that the United Nations might seize Dakar.

Last week United States soldiers were landed in Liberia, tiny negro kingdom a short way out in the Atlantic from the west coast of Africa and Dakar.

Whether the reported evacuation of Dakar and the contemplated seizure of it by Allied forces, is another of the checkerboard moves in the psychological war, can only be determined by time.

The French government was quoted as saying that such a move on the part of the Allies might bring a united front in Europe against the United States and England.

In Washington, Secretary of the Navy, Knox, made a statement to break the silence over the battle on the Solomons. He said the battle was a stiff one and expressed hope the United States may be able to hold out. He also said that the Japanese have not used anything like their full naval strength in the battle.

Outnumbered American airmen were fighting desperately to maintain control of the air in the Solomons. In Washington fear was expressed another Bataan was in the making. The army and the navy departments are said engaging in jealousies over the conduct of the war.

A well founded report came that Secretary of the Navy, Frank Knox will soon leave the cabinet. Lyndon B. Johnson, according to Austin newspapers is scheduled for the post.

The Nazi have not been able to gain in Stalingrad and cold winds are sweeping the streets of the wrecked city.

Sgt. Frank Richter, Jr., arrived in Cameron late Monday from McDill, Field, where he is in the air corps as a gunner. Frank volunteered and was sent to Ellington and from that point went to Jackson, Miss., to Columbia, South Carolina; Meridian, Mississippi, and then to Tampa. He recently completed a gunner school and has been made a Sergeant. He is the son of Mr. and Mrs. Frank Richter, Sr., a graduate of Yoe High School and former Yoemen playing in the line at end. Frank will be here for 15 days.

Seth Corley of Buckholts made a business trip to Cameron Wednesday.

SHOWER

A linen shower was a gracious compliment paid to Miss Agnes Hebner, bride elect of Cadet Erwin Lee Wied of Big Springs, at 3 o'clock Sunday afternoon, October 18th, at the home of Mrs. Joe Hebner with about one hundred guests being present.

Miss Grace Wied presided at the bride's book. Misses Irene O'Neill, Dorothy Richter, Ruth Griffin accompanied by Miss Shirley Horstmann sang, "A White Christmas" and "At Last."

Mrs. Louis Matula read the toast: "Three Wishes to the Bride," by Kathleen Gardner.

A recipe box was presented to the bride-elect with each guest giving her favorite recipe.

A patriotic motif was carried out. A model plane was used over the gifts.

The dining table was covered with a lace cloth centered by a crystal bowl with a red arrangement of flowers and candles in crystal holders, were placed on each side.

Refreshments were served buffet style with Mrs. A. A. Kasper presiding at the punch bowl.

Favors were miniature silver planes with "Agnes and Bubba" written on double red heart shaped propellers.

Out of town guests present were: Mesdames A. A. Kasper, Ed Boudreaux and Miss Dorothy Spiller, Houston; Mrs. A. C. Senkel of San Antonio, Mrs. J. D. Hartnell of Galveston, Miss Alyce Kosel of Camp Hood, Mrs. Johnnie Bohac of Granger, Mesdames Robt. Kalkbrinner, E. L. Kosel, W. E. Kosel, Bill Olbrich of Ben Arnold; Mrs. Fritz Wied, and Leona, Mrs. Otto Wied, Viola and Pearl Wied, Mrs. Robt. Wied, Mrs. Leo O'Neill and Barbara, Mrs. H. J. Litzman and LaVerne of Burlington; Mesdames John Matyastik, Otto Schulz of Clarkson.

The hostesses were: Miss Mary Richter, Mrs. Ed Boudreaux and Mrs. J. D. Hartnett.

U S AIR FLEETS GO INTO HEAVY ACTION

The battle for the Solomon Islands, admitted by Washington to have reached its second successive crisis stage as many days was undecided.

Spectacular victories in the air by United States army and navy fighters were said by the War Department to be "too good" and the public was warned not to expect more than average American superiority over the enemy. This was taken to indicate more losses than shows on the surface of the battle so far.

It has now been learned that American flyers who bombed Tokyo lost heavily. The Japs have tried some of them on the basis of the American trial of the German saboteurs who entered this country and were electrocuted.

The American government's statement indicated there were no losses. Now it appears that some of the planes were either shot down or forced down over Japan and American flyers were taken captives.

There were indications that despite the publicity build up there may be no major battle involving sea and air units in the Solomons. Whatever was happening over there which in the end may decide the war in the South Pacific, was still a mystery.

The Germans had advanced little in Stalingrad and had paid all too heavily for that advance.

German bombing planes were back over England in greater numbers Sunday night.

Moscow had virtually called the Roosevelt and Churchill bluff by demanding the trial of Rudolph Hesse who flew into Scotland and was made a prisoner of war in 1941. Pravada, influential Red newspaper, is demanding Hesse's trial on the plan suggested by this government and Great Britain for punishment of the Nazi criminals.

The United States and Great Britain may have to sidestep the trial of Hesse because Germany might retaliate as has Japan in the trial of army flyers who were forced down over Japan from the bombing squad led over by General Doolittle.

18 Pound Wrench Is Given to Scrap Drive

A. H. Halbedier, tractor man for the Burks-Howard Tractor Company, was one of the substantial contributors to the scrap campaign when he donated a large wrench weighing 18 pounds.

The wrench is at the Herald plant as also one given by Joe Bass. They have not been claimed as yet by the scrappers.

Mr. Halbedier says he believes this wrench, when laid with the proper skill against the head of a Jap will bring home the bacon.

Davis Young, Game Warden from Granger made a business trip to Cameron Friday.

THANKS EXPRESSED FOR SCRAP DRIVE EFFORT

S. E. Brogdon, director for the scrap drive in Milam county, has expressed his thanks for the co-operation shown in the campaign, paying special tribute to the school children who were in large measure responsible for the success of the collection effort.

Mr. Brogdon says:

"Many, many thanks to the Milam County School Kids. We, the old 'Codgers,' can always tell the kids what they should do and how they should have done it, but when there is a job to be done, like the one we have just had, my hat comes off to them, for it is they, who can really put us in the lime light.

"These youngsters have certainly

made a perfect day of the scrap drive—a day long to be remembered by them, as well as by the grown ups. Scrap of all kinds has shown up from every nook and corner of every farm and home, not by the pounds but by the tons. It has been lifted by strong men and the tenderest hands of children. It came by car, truck and wagon.

"But regardless of the good we have done in this drive the gathering of scrap has just begun. In a few more days a circular should reach your home, and every home in the county itemizing the metals, rubber and fabrics, our Government is wanting. On receipt of this pamphlet, please keep it for a guide in locating more scrap, which you should carry at once to your nearest junk dealer. It will then find its way to some mill, that will in turn put it to an important use in defense of our freedom.

CAMERON, TEXAS

"Again, I want to thank the good folks for their 100 per cent co-operation in closing their places of business and putting forth their energies for a cause we enjoy and are not going to lose. Finally, let's remember the more scrap we save, the better it suits our Dear OLD UNCLE SAM, but the less we save and the less we try, the more Hitler and Tojo will laugh."

Miss Ethel Angell and Miss Florine Hobson attended a miscellaneous shower honoring Nelcie Kleypas in the home of Mrs. Bartle Crenan at Burlington.

Donald Glass Takes Place With R. L. Batte Industries in Cameron

Donald Glass has accepted a place with the R. L. Batte Industries in Cameron and has been actively engaged with these duties for several weeks.

He is a graduate of Yoe High School and after completing his course here attended business college in Tyler where he obtained his degree.

Donald is the son of Mr. and Mrs. Lester Glass in Cameron. He succeeds Thomas Raymond at the Batte office.

Paint Walls and Woodwork with

INTERIOR GLOSS and SEMI-GLOSS

Especially formulated for kitchens and bathrooms, you can use these fine enamels on walls and woodwork anywhere in the house! The Gloss is full and rich; the Semi-Gloss has the popular satiny lustre. Both are easy to apply, and easier to keep clean.

BATTLE NOW SAID IN MOST CRUCIAL STAGE

Air control by United States flyers was said Wednesday to rest with our forces now come to grips in a showdown battle for retention of the important bases in the Solomon Islands. To those who have watched with pride the growing band of heroes in the air, it was a triumph of faith as they see today the unfolding story of a courageous band of men the world has known.

The balance of power and therefore chances of victory depended on

control of the air. Outnumbered the Americans have for days been waging a desperate struggle to master the skies over the troubled islands in the South Pacific. Wednesday the Washington government said control has been gained.

There was at the same time nothing from the Navy department.

A London dispatch said the battle has reached its most crucial stage. A victory or defeat for our forces may be expected to be announced within the next few days.

In Stalingrad, the graveyard of World War No. 2 the Germans greatly re-inforced have had to deal with a greatly re-inforced Russian army and have come off second best for

They have been unable to advance and the city still is in the hands of the Reds after 57 days of siege and bitter fighting.

Bitter fighting still obtains and the Russians are holding everywhere.

General Jan Smuts of the Union of South Africa, whom the French said was in London to talk about taking Dakar, gave out a statement Wednesday in which he said the Russians are bleeding Germany to death and should be given aid by a second front.

Great Britain now has her navy up to pre-war strength. Two new battleships have just been launched and have gone into service in Norwegian waters.

Bitter air activity was reported in Africa with United States bombing planes scoring successes and penetrating deep into enemy lines. This would indicate a revival of fighting in Africa.

Rotarians Here See Battle of Midway as Guests of John Prude

Rotarians here Wednesday were guests of John Prude, manager of the Cameron Theatre and the treat was the picture "Battle of Midway," to open for a two day showing at the Cameron Theatre Thursday, October 22.

For realistic battle scenes this picture has never been surpassed in motion picture history.

The picture was released under auspices of the United States navy. In this battle more than 300 Japanese aircraft were shot down, 2 aircraft carriers and 28 ships of all types went down under the American sea and air attack.

Lieut. John Atkinson, United States Army Air Corps, was in this battle. He piloted a four motored bomber, a Liberator and saw much action in bombing Japanese carriers.

This show will be on the screen at the Cameron Theatre Thursday and Friday. Mr. Prude invited the Rotarians and their guests over for the show after the luncheon. He was program chairman for the day and gave the Rotarians a real treat.

"BUSTER" BACK HOME

"Buster" a buff colored Spaniel, reported lost Tuesday, is back at his home with Mr. and Mrs. Prude. A small item published in the Herald Tuesday found the dog who had wandered away to a neighbors home and they did not know to whom he belonged. Mr. Prude was all smiles Wednesday because Buster was safe at home.

More Scrap Donated To Drive Here Sold

A small steel bridge yielding about 1000 pounds of steel and which was donated by the Commissioners' Court to the scrap drive for the war, was sold to a local blacksmith, it was learned here authoritatively Tuesday.

This is the second instance in which scrap donated to the war effort has found its way to an individual.

According to S. E. Brogdon, County Chairman of the Scrap Drive, the bridge was wrecked by students at the high school under the direction of the superintendent and the steel sold to the blacksmith and iron worker and the money retained by one of the high school classes.

It was understood that sale of scrap is permitted only to authorized dealers and in no case can it be diverted to private use. It must, under regulations, go to the war plants.

More than 100,000 pounds of scrap, donated by the people, is piled on the campus of the school. It was understood this scrap may be sold. If sold, it may not have been intended the funds be diverted to the schools, though the pupils have done a fine job getting it in. All scrap sold in the city prior to the school drive went to benefit the Red Cross.

Tom Linam of Maysfield transacted business in Cameron Saturday

BRIDGE DEMOLISHED

The entire Commissioners' Court and a good many people attended the demolition of the Wildcat Bridge over the Brazos River on Tuesday.

Parts of the bridge were already washed away about a year ago. The main span was given to the War Department by Milam and Robertson counties.

The demolition was a complete success.

YWA MEETS

The Baptist YWA met Tuesday night at 8 o'clock with seven members present at the home of Mrs. Willis Dismukes with Ann Sanders, vice president, presiding.

Mrs. Dismukes gave the Bible Study which was about Jezabel. They then planned to have a slumber party at Ann Sanders' home Friday night, October 30.

The Senior Class of Sharp High School received their class rings Monday. They have a capital S mounted on an oblong crystal stone. Superintendent Cloud is the class sponsor.

T. N. Woods, superintendent of the San Gabriel school is in Cameron on business today, Saturday.

Mrs. Ada Martin and Mrs. Addie Ward of Sandy Ridge were business visitors in Cameron Thursday.

Eagles Swamp Rosebud, 43 to 13

Georgetown, Oct. 16.—Paced by Jack Sherman, Georgetown's Eagles swamped Rosebud here tonight 43 to 13.

Sherman took the ball on the first play from his own 30, running 70 yards for the first marker, then taking it again on the fifth play from his 36 for the second. The score at the end of the half was Georgetown 24, Rosebud 7, Anding having gone over in the second from the Georgetown one-foot line for Rosebud.

Other stars in the backfield for Georgetown were Kilpatrick and Black. In the line McDonald, Daily and Aderhold starred.

Cruz, Anding and Bordin shone for Rosebud.

MORE PRECIOUS than ever before RIGHT NOW!

KEEP 'EM WORKING
... FIX 'EM

YOUR ELECTRIC APPLIANCES...

are more precious now than ever before... because your appliances save your time, help protect the health of your family. This is especially important during war time when both time and energy are so much in demand.

See Your APPLIANCE Repair Shop

DO THIS..

- 1 Keep appliances clean.
- 2 Keep them properly oiled.
- 3 Do not allow appliances to get too hot... turn off current when not in use.
- 4 Take good care of electric cords... do not allow them to knot... repair them when they show signs of breaking.
- 5 Defrost your refrigerator often... this increases its efficiency.
- 6 Release the pressure on the wringer of your washing machine when not in use, and prolong the life of the rubber rollers.
- 7 Always keep extra fuses on hand and eliminate unnecessary delays in restoring service when a fuse blows out.

TODAY—Your Electric Appliances are now priceless possessions. For the duration they will be difficult or impossible to replace because men and factories are on war work. With proper care and use, however, they should serve you well until new ones are available. Your Electric Appliance Serviceman will give you every possible help to keep them operating with utmost efficiency. Keep your electric appliances working... and retain the full benefit of the time-saving, health-promoting, comfort-giving services they provide!

TEXAS POWER & LIGHT COMPANY

Uncle Sam Needs Your

SCRAP

Before the Snow Flies

We've all heard a lot lately about the need for scrap metal.

Probably you've already done something about it.

But every one of us has got to do more. *Much* more. **AND DO IT QUICK!**

Here's Why

This war is swallowing steel like a quicksand.

We need scrap metal to make steel... steel for *more* tanks... *more* planes... *more* ships... *more* guns... and *more* shells.

It's our job to supply our boys and allies with all these things they *must* have to smash the Axis on land, at sea, and in the air.

Scrap Is Precious

Steel for tanks, planes, ships, etc., is made by melting old scrap metal with pig iron—about half and half.

The pig iron is made from iron ore that comes from mines.

But that precious scrap—**THAT'S** got to come from us folks here on the Home Front.

What Is Scrap?

Scrap is **ANY** old thing, made out of iron or steel, that we don't absolutely need.

It is anything from a hairpin to a busted steam boiler... from a paper weight to a cracked rail.

It is old machinery, pipe, tools, flat-irons, auto parts, screws, nuts, bolts, bathtubs, lawnmowers, stoves, tanks, metal barrels, iron fences—and what have you.

Where Is It?

This old scrap is everywhere. It is in cellars, attics, closets, alleys, auto graveyards, fields, garages, barns, and factories.

We've all got **SOME**, be it little or much.

A typical town family is said to have about 70 pounds lying about; a farm family, nearly 750 pounds.

In ten months after Pearl Harbor the Santa Fe scraped together 210,716,000 pounds of scrap. A pound here, a ton there. That's how it mounts up.

Scrap Means Steel...Steel Means Victory Sell It or Give It...But Get It In

Steel is the only language those bandits in Tokyo and Berlin understand. Let's give them plenty of talk... *in their language*.

Every county, city, and town is having a scrap drive. Watch your local newspapers on how to get in it. Sell what you have, or give it away—but *get it in!* And now's the time, before snow flies!

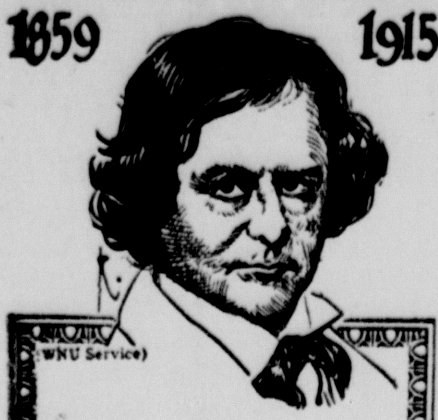

Your scrap can save American lives and help shorten this war. Every pound *you* turn in helps.

Patriot Quotes

1859 1915

CARRY a message to Garcia.

Elbert Hubbard

At the beginning of the Spanish-American war Andrew Sumner Rowan pushed through Cuban jungles for three weeks to bring a message from President McKinley to the insurgent leader, Garcia, then in the mountains out of reach by mail or wire. Elbert Hubbard made the phrase "Carry a Message to Garcia" immortal in his magazine, the *Philistine*.

Army Disagrees With Roosevelt on Releasing Men Over 35 Years

President Roosevelt Wednesday stood at variance with the army over the proposed release of men over 35 from the army.

Army leaders say they do not agree and expressed it "we do not see eye to eye with the President on his proposal."

The proposal by the President was received with amazement by the army and that France disbanded her part of the army at this time is to remind all that France disbanded her army to some extent and sent them home when the Germans were preparing for their invasion.

A strange sort of procedure and has come with great shock to the people.

Jack Taylor Home On Short Furlough

Jack Taylor, in the United States Army Air Corps, and stationed at Boca Raton, Florida, as an instructor, is home on a 20 day furlough.

Jack, former star athlete and Baylor foot ball player, was rejected for outright enlistment but has been finally accepted in the service as a civilian and instructor.

He was slightly injured near St. Louis and is home recuperating for a few days. He plans to return within the next week.

Jim Lanning of Rockdale was a Cameron visitor Wednesday.

Clyde Cummings was in town Tuesday. Clyde used to work for Mr. Winfield and he now works in the Officer's Clothing Department at Camp Hood.

FUNERAL SERVICE FOR EMIL RICHTER TODAY

Funeral services were held at 3:45 Thursday afternoon at Thorndale from the home of F. W. Schwartz.

Mr. Richter's body was found Wednesday in a barn on his farm. He had hanged himself with a rope. He was a veteran of World War No. 1. He was gassed and had never been in complete health and during recent months had grown worse. He was about 46 years of age.

Surviving are two brothers, Otto and Charles Richter of Thorndale.

CARD OF THANKS

We want to express our sincere thanks to friends and neighbors who were so kind and thoughtful during my recent illness. Surely the world has not lost the better things and n times like these we are rewarded for our faith in men and women. During the days of my critical illness you did everything you could. I am deeply grateful for the flowers and especially do we want to thank Mr. and Mrs. J. C. Mayfield.

Mrs. Cotton Bryan.

Lieut. Morris Ruggles, former teacher of Algebra in the High School here, and basketball coach and B football coach, has entered the army air corps as an instructor. He is an instructor in mathematics and is teaching cadets. He is stationed at San Antonio at the Aviation Cadet Center, Ground School Headquarters and many friends here will be glad to know of his progress. Mr. Ruggles left Cameron to take a teaching job near Longview and from that place enlisted in the army.

Please do not ask us for credit. We can not charge accounts on our books. Cameron Cotton Oil Co.

Mrs. Joe Harvey and brother, Dan Legacy of Coue de Lane, Idaho, are here on a few weeks visit with relatives, Dr. Eduard Rischar, Miss Rose Rischar and Miss Malcham Rischar.

The many friends of Mrs. Gladys M. Watson of Fort Worth, will be glad to hear that she is now improving from a serious spell of illness at her home and will soon be able to be up and going.

Mrs. Sina Brewer and daughter, Marian were here for a few days this week. Mrs. Brewer who used to be a teacher in Ada Hnederson has charge of the NYA in Corpus Christi.

Bobbie Wood cut his foot on some tin while he was running Wednesday. He is in bed with four stitches in his foot.

Mrs. M. Janeway visited her father and mother who live in Marlin, yesterday. Mrs. Janeway is now day clerk of the Cameron Hotel.

B. S. Barber, trustee of Pleasant Hill community visited in Cameron Wednesday.

The Knights of Pythias met in regular session Monday night with Grady Allen, Chancellor Commander, presiding.

Mrs. Pearl Cass of Gause, has ac-cepted a position at Camp Hood and has begun her duties.

CHRISTIAN SCIENCE SERVICES

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 25.

The Golden Text is: "He that over-cometh, the same shall be clothed in white raiment" (Rev. 3:5.)

Among the citations which com-prise the Lesson-Sermon is the fol-lowing from the Bible: "Yea, though I walk through the valley of the shad-ow of death, I will fear no evil: for thou art with me; thy rod thy staff they comfort me" (Psalms 23:4.)

The Lesson-Sermon also includes the following passage from the Chris-tian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness and death, either here or hereafter."
